CORRIGENDUM (3rd)

While manufacturer/supplier registration, if any component is left due to any reason or want to participate in more components, all the prospective vendors are advised to participate by signing up with fresh credentials. Moreover, last date of submission of applications online has now been extended up to 23.06.2025 05:00 PM and last date of submission of original DD (Registration fee) is extended 24.06.2025 till 05:00PM. It is advised to all the prospective manufacturers/suppliers to again review their registration regarding documents & rates to avoid any discrepancies. Discrepancy or shortcomings on the BOQ if any, be submitted along-with the physical documents.

All prospective manufacturers/suppliers are advised to take necessary action accordingly.

Other terms & conditions will remain unchanged.
